Company Description:

DomeGuys International specializes in providing the perfect geodesic dome. Ready to use for eco shelters, sustainable development, living, studios, disaster relief, trade shows, event venues, musical festival domes, seminars and VIP accommodations, our domes are the exceptionally versatile. Due to their timeless design and alluring aesthetics, geodesic domes offer unsurpassed flexibility to suit your needs. People love the intriguing geometry and feel of the natural richness experienced under the canopy of a geodome. Spacious and stunning, geodesic canopies offer an experience that fills people with creativity and inspiration.

Value:

Domes transform projects into experiences and ordinary places into awe-inspiring works of art. Here at DomeGuys, we thrive to inspire and transform people's entire experience in one moment with the addition of our domes. We enjoy meeting people and traveling, playing with big equipment, and seeing big results happen fast. We like to work hard and are driven to create the most amazing experience possible for our clients, and we love the big dreamers. Because geodesic domes are our culture, they allow us to be a part of some spectacular dreams by transforming them into remarkable realities.

Advantage:

Geodesic domes are sustainable, which is about responsibly managing resources. Geodesic shelters have been called the most efficient structural design ever conceived because they "do more with less" — less materials and less waste. The potential is unlimited.

VDC

VIRTUAL DINING CONCEPTS

VDC is your winning ticket when it comes to operating delivery-only restaurant brands.

Company Description:

VDC is a turnkey solution for adding a virtual brand to your existing restaurant to generate extra profit. A Virtual brand is an incredibly useful and efficient way for restaurateurs to increase their bottom line with minimal impact to current operations. Virtual brands offer restaurant owners a separate concept that runs out of their kitchens and is available for delivery only via third party delivery platforms.

Value:

Virtual restaurants are the future of the foodservice industry. Instead of developing brands from scratch, you can quickly begin taking orders for VDC's virtual brands with fully-developed training, branding, marketing, menu development, third party platform integration, technology, and PR.

Advantage:

We're the leading developer of celebrity and premier virtual restaurant brands. VDC provides a unique opportunity to partner with some of the world's biggest celebrities who play an active role in marketing and speak to their millions of followers, driving revenue to your restaurant.

Product offering:

Choose one or more of our celebrity concepts. The more brands you add, the more incremental profit you can receive a month.
